I am the *Accounting Officer* of the above mentioned Close Corporation.

The books of account of the CC and draft unaudited financial statements for the period ended 28 February 2013 reflected an annual turnover/income less than R5 million.

The beneficial owner (member) was identified as 100% black owned and 0% black woman owned.

Although the abovementioned is the current level of turnover/income and is closely related to the economic indicators, it may be more or less in future. Consequently, this certificate does not serve as a guarantee that the income reflected will continue at the same levels.

This entity is a startup enterprise and this certificate is only valid for contracts with a single contract value of less than or equal to R5m. Should the contract value exceed R5m please contact the accounting officer.
